

Tallahassee Chapter Offering PMP Exam Prep Boot Camp

Once again, the PMI Chapter of Tallahassee is offering the PMP Exam Prep Boot Camp. Students will learn the leading tools and techniques to initiate a project, gather requirements, document a scope of work, determine schedule and budget options, and manage the work once it has begun. Upon successful completion of this class, students will have met the 35 hour training requirement to sit for the exam. Please see the PMI.ORG web site for additional information on exam requirements.

Historically, students who completed our training and then sat for the exam have enjoyed a 95% pass rate, which is considerably higher than the national average. The **cost is \$750 for Chapter members and \$850 for non-members** if you register online at WWW.PMITLH.ORG prior to March 31, 2017. After that date the cost goes up to \$795 for chapter members and \$895 for non-chapter students. Organizations which are unable to use the online payment option though Paypal may contact Linda Willis at (850) 508-6440 for special arrangements. The registration fee includes all the course books and materials, but does not include the cost for the PMP exam.

To best serve our working professionals, the classes will be held Tuesday and Wednesday evenings as well as Saturdays. The proposed complete schedule is shown below. Any deviations from this proposed schedule will be provided to all registered students.

Please note the following policy concerning missed training sessions:

- *Students who miss more than 4 hours will not be awarded completion certificates and will be required to retake the course when it is offered again to obtain the certificate. The retake will be at no additional charge. Those students, however, may need to acquire current versions of the books at their own cost.*
- *Students who miss less than 4 hours may opt to attend the additional study day at the costs described below to make up the missed time. Alternately, they may also elect to attend the training when it is offered again. The Boot Camp training is, however, only offered once a year.*

An additional study day may be added to allow students to obtain training on missed topics. **An additional cost of \$25/hr will be charged for this additional session.** Online payment will not be available for this session. Payment may be made by check or credit card at the first session.
