PDU Opportunities in the Tallahassee Chapter!!!!

Your Tallahassee PMI chapter is working to add a Blog to the website; you may have noticed it *In Construction*. More coming soon!

PDU Reminders:

- Chapter members – write an article for the blog and submit it to vpcomm@pmitlh.org for consideration for posting. Articles posted can earn you PMI Create Content activity PDUs.
- Chapter members who serve on the Board or on a committee can earn PDUs (hour for hour) for volunteer time through the PMI Volunteer activity,
- Chapter members who speak/present virtually during a chapter meeting can earn PDUs (hour for hour of presentation time) through the PMI Give a Presentation activity,
- General reminder to chapter members that you earn PDUs for attending chapter-organized meetings through the PMI Organization Meetings activity (you can enter the claim code for the specific meeting in the PMI Claim Code section or C287 claim code as described in the "How to Report PDUs" document posted on our website.
- PDUs are subject to audit by PMI. Always remember you can reference the PMI certification requirements at <https://www.pmi.org/-/media/pmi/documents/public/pdf/certifications/ccr-certification-requirements-handbook.pdf>
- If you're retiring (first – CONGRATULATIONS!), you can apply for retired status with PMI and no longer have to submit PDUs. You must have been a certificate holder for 10 years minimum, wish to voluntarily relinquish active status, and no longer earn remuneration for practicing project management. Submit a written request to PMI by email (Certification.CCR@pmi.org) or fax (1 610 239 2257).

Membership Renewals to the Chapter

Important Information Regarding Chapter Membership Auto Renewal Changes:

- Similar to a PMI Membership, when you complete a Chapter Membership purchase, your Chapter Membership will now be automatically opted-in for auto renew,
- Your Chapter Membership will move onto the same cycle as your existing PMI Membership renewal cycle,
- If you wish to opt out of the Chapter auto renewal post-purchase, you must opt out in your myPMI profile. Please be advised that opting out of Chapter Membership auto renew will cancel auto renew for Chapter Membership only. Opting out of auto renew for PMI Membership will cancel auto renew for both your Chapter Membership and PMI Membership.
- If you opt-out of auto renew for your PMI Membership and later return to renew manually, the system should NOT automatically opt you in for auto renew going forward. You will not be required to save your payment details to complete checkout.
- Existing Chapter Memberships and PMI Memberships will continue to auto renew in USD only (until December 2020)
- ***Please note that Student and Retiree PMI Memberships require manual renewal -Auto renew is not an option.**

To prevent a customer from buying a Chapter Membership twice or purchasing a Chapter Membership for an undesired short duration, there are new rules to restrict Chapter Membership purchases and improve the Chapter Membership experience:

- When you attempt to purchase or renew a Chapter Membership you will be restricted from purchasing/renewing a Chapter Membership if you do not hold an active PMI Membership and/or do not have a Membership product in your Cart,
- If you are a PMI Member who is eligible for renewal (i.e. in last 3 months of your current membership), you must have a PMI Membership renewal product in the Cart in order to purchase any Chapter Membership,
- If you purchase a Chapter Membership after purchasing a PMI Membership, its renewal cycle will automatically align to the PMI Membership auto renewal cycle.

PMITLH Board Talk

This week's PMITLH Board message comes from PMITLH Board President, David Davis.

Where is your professional sanctuary?

As I was reading a message sent from the Marty Paslick, CIO, HCA Healthcare, I was struck by his words and knew I wanted to share the idea with the members of PMI Tallahassee. Marty wrote:

“While COVID-19 has led us all to be more reflective and grateful, we still are flooded with stimulus. As an introvert, it can be suffocating. I simply can't process it all and I feel myself slipping into an overwhelmed state of mind. My creativity and proactive thought processes can easily be snuffed out. I find myself seeking an ability to quiet my mind; to find some sort of sanctuary. I know for many, they find that place in prayer, meditation or some sort of physical exercise.”

As I read this I began to think, where is my sanctuary? Every morning, I read and/or listen to words from those that have already travelled down the path I'm wishing to go. During this time, I let my mind slide into a place that allows my creativity to wander freely. I think back at most of my professional habits and many times they began as a thought during that early morning retreat. So I leave you with this question, where is your professional sanctuary?
