## **PDU Opportunities in the Tallahassee Chapter!!!!**

Your Tallahassee PMI chapter is working to add a Blog to the website; you may have noticed it *In Construction*. More coming soon!

### **PDU Reminders:**

- Chapter members – write an article for the blog and submit it to [vpcomm@pmitlh.org](mailto:vpcomm@pmitlh.org) for consideration for posting. Articles posted can earn you PMI Create Content activity PDUs.
- Chapter members who serve on the Board or on a committee can earn PDUs (hour for hour) for volunteer time through the PMI Volunteer activity,
- Chapter members who speak/present virtually during a chapter meeting can earn PDUs (hour for hour of presentation time) through the PMI Give a Presentation activity,
- General reminder to chapter members that you earn PDUs for attending chapter-organized meetings through the PMI Organization Meetings activity (you can enter the claim code for the specific meeting in the PMI Claim Code section or C287 claim code as described in the "How to Report PDUs" document posted on our website.
- PDUs are subject to audit by PMI. Always remember you can reference the PMI certification requirements at <https://www.pmi.org/-/media/pmi/documents/public/pdf/certifications/ccr-certification-requirements-handbook.pdf>
- If you're retiring (first – CONGRATULATIONS!), you can apply for retired status with PMI and no longer have to submit PDUs. You must have been a certificate holder for 10 years minimum, wish to voluntarily relinquish active status, and no longer earn remuneration for practicing project management. Submit a written request to PMI by email ([Certification.CCR@pmi.org](mailto:Certification.CCR@pmi.org)) or fax (1 610 239 2257).

## Membership Renewals to the Chapter

Important Information Regarding Chapter Membership Auto Renewal Changes:

- Similar to a PMI Membership, when you complete a Chapter Membership purchase, your Chapter Membership will now be automatically opted-in for auto renew,
- Your Chapter Membership will move onto the same cycle as your existing PMI Membership renewal cycle,
- If you wish to opt out of the Chapter auto renewal post-purchase, you must opt out in your myPMI profile. Please be advised that opting out of Chapter Membership auto renew will cancel auto renew for Chapter Membership only. Opting out of auto renew for PMI Membership will cancel auto renew for both your Chapter Membership and PMI Membership.
- If you opt-out of auto renew for your PMI Membership and later return to renew manually, the system should NOT automatically opt you in for auto renew going forward. You will not be required to save your payment details to complete checkout.
- Existing Chapter Memberships and PMI Memberships will continue to auto renew in USD only (until December 2020)
- **\*Please note that Student and Retiree PMI Memberships require manual renewal -Auto renew is not an option.**

To prevent a customer from buying a Chapter Membership twice or purchasing a Chapter Membership for an undesired short duration, there are new rules to restrict Chapter Membership purchases and improve the Chapter Membership experience:

- When you attempt to purchase or renew a Chapter Membership you will be restricted from purchasing/renewing a Chapter Membership if you do not hold an active PMI Membership and/or do not have a Membership product in your Cart,
- If you are a PMI Member who is eligible for renewal (i.e. in last 3 months of your current membership), you must have a PMI Membership renewal product in the Cart in order to purchase any Chapter Membership,
- If you purchase a Chapter Membership after purchasing a PMI Membership, its renewal cycle will automatically align to the PMI Membership auto renewal cycle.

# PMITLH Board Talk

## This week's PMITLH Board message comes from PMITLH Board VP of Communications, Rebecca Green.

It's been a privilege to join the PMITLH Board and to more actively engage with some of the great leaders in our community, which all of you are. If you're a project manager at heart, you inherently lead the activities, guide the mood, and hold a sizeable chunk of the heart of everything that goes on around you. There's a perpetual opportunity for each of us to learn from the rest, and I'd like to facilitate those kinds of conversations.

Your PMITLH communications committee would like to share random photos you submit of life during your workday - doing what you do. We'd like to share your personal bios out with the chapter to celebrate what's led each of us to these points in life. In the blog we're starting, we'd like to start sharing your words of wisdom, your messages of inspiration, your work life tips/tricks, and your training suggestions. In so many ways, we're all missing the opportunity to share with each other, and the committee would like to continue improving upon the foundations that have been laid. Please send your thoughts, your suggestions, and your feedback on what we're doing so far to [vpcomm@pmitlh.org](mailto:vpcomm@pmitlh.org). Send workday photos and your personal bios. We'll have guidance out this month for blog content. Additionally, we're working to schedule a chapter round-table discussion soon on communication in the chapter - we truly look forward to connecting with each of you more and to giving back to you as you take care of those around you. **Keep being inspirational!**

## PMI Customer Care Notice

The PMI Customer Care team is experiencing significantly higher contact volumes due to the dynamic nature and rapidly evolving COVID situation globally. As PMI continues to work to respond to each inquiry and to explore alternative ways for addressing these, PMI has taken the following actions to help decrease the need for members to contact Customer Care.

- PMI is updating its [PMI COVID Update page](#) on an ongoing basis.
- PMI is waiving rescheduling fees for all certification exams until 1 October.
- PMI is automatically extending all candidates' exam eligibility until 18 January 2021.
- PMI has launched its new PMI Beta Bot, a 24/7 chat bot to answer your basic questions. Check it out on the PMI [Contact Us page](#).
- PMI has created the PMI Customer Care Alexa Skill, so members and certification holders can link their PMI.org account to any Amazon Alexa-enabled device to ask Alexa: "What is my member (or certification) since date?" "What is my membership end date?" "When does my certification expire?" "How many PDUs do I have?" [Try it today](#).

PMI requests your patience and support in utilizing its Customer Care contact info to allow quick response to each member and customer. If you have a question specific to chapter operations, please contact your chapter partner.
