PDU Opportunities in the Tallahassee Chapter!!!!

Your Tallahassee PMI chapter is working to add a Blog to the website; you may have noticed it *In Construction*. More coming soon!

PDU Reminders:

- Chapter members – write an article for the blog and submit it to vpcomm@pmitlh.org for consideration for posting. Articles posted can earn you PMI Create Content activity PDUs.
- Chapter members who serve on the Board or on a committee can earn PDUs (hour for hour) for volunteer time through the PMI Volunteer activity,
- Chapter members who speak/present virtually during a chapter meeting can earn PDUs (hour for hour of presentation time) through the PMI Give a Presentation activity,
- General reminder to chapter members that you earn PDUs for attending chapter-organized meetings through the PMI Organization Meetings activity (you can enter the claim code for the specific meeting in the PMI Claim Code section or C287 claim code as described in the "How to Report PDUs" document posted on our website.
- PDUs are subject to audit by PMI. Always remember you can reference the PMI certification requirements at <https://www.pmi.org/-/media/pmi/documents/public/pdf/certifications/ccr-certification-requirements-handbook.pdf>
- If you're retiring (first – CONGRATULATIONS!), you can apply for retired status with PMI and no longer have to submit PDUs. You must have been a certificate holder for 10 years minimum, wish to voluntarily relinquish active status, and no longer earn remuneration for practicing project management. Submit a written request to PMI by email (Certification.CCR@pmi.org) or fax (1 610 239 2257).

Membership Renewals to the Chapter

Important Information Regarding Chapter Membership Auto Renewal Changes:

- Similar to a PMI Membership, when you complete a Chapter Membership purchase, your Chapter Membership will now be automatically opted-in for auto renew,
- Your Chapter Membership will move onto the same cycle as your existing PMI Membership renewal cycle,
- If you wish to opt out of the Chapter auto renewal post-purchase, you must opt out in your myPMI profile. Please be advised that opting out of Chapter Membership auto renew will cancel auto renew for Chapter Membership only. Opting out of auto renew for PMI Membership will cancel auto renew for both your Chapter Membership and PMI Membership.
- If you opt-out of auto renew for your PMI Membership and later return to renew manually, the system should NOT automatically opt you in for auto renew going forward. You will not be required to save your payment details to complete checkout.
- Existing Chapter Memberships and PMI Memberships will continue to auto renew in USD only (until December 2020)
- ***Please note that Student and Retiree PMI Memberships require manual renewal -Auto renew is not an option.**

To prevent a customer from buying a Chapter Membership twice or purchasing a Chapter Membership for an undesired short duration, there are new rules to restrict Chapter Membership purchases and improve the Chapter Membership experience:

- When you attempt to purchase or renew a Chapter Membership you will be restricted from purchasing/renewing a Chapter Membership if you do not hold an active PMI Membership and/or do not have a Membership product in your Cart,
- If you are a PMI Member who is eligible for renewal (i.e. in last 3 months of your current membership), you must have a PMI Membership renewal product in the Cart in order to purchase any Chapter Membership,
- If you purchase a Chapter Membership after purchasing a PMI Membership, its renewal cycle will automatically align to the PMI Membership auto renewal cycle.

PMITLH Board Talk

This week's PMITLH Board message comes from PMITLH Board VP of Programs, Lisa Hopkins.

Reinventing PMITLH Programs

The events of 2020 have resulted in a major paradigm change for all our members. Once unthinkable for state employment, telework has become the new norm. This change has affected every aspect of work and home life and has resulted in an explosion in the use of virtual meeting and collaboration technologies – Teams, Slack, WebEx, Go-To-Meeting, etc. These technologies have moved from ancillary “cool tool” usage to the basis of daily operation and employee management.

In order to implement virtual chapter meetings and presentations, the chapter has selected Go-To-Meeting as the platform for our virtual communication. PMITLH now has its own account for virtual chapter meetings, committee meetings, board meetings, and other chapter events. This will allow us to manage our own virtual events without having to coordinate through PMI Global.

The board has some experience with this platform but will continue to research and learn ways to better use this technology to improve virtual experiences for our members. Our first foray into this arena will be our roundtable – COVID's Impact on Project Management and Our Local Area - on October 5th, 2020. If anyone has any suggestions for increasing interaction and exchange of ideas through Go-To-Meeting or other virtual technologies, please feel free to forward your ideas to the board.

We will continue to monitor the local and national situation to plan future events either virtually or in-person. As this is new territory for all of us, we will also rely on our membership to offer your opinions and wishes. PMITLH is taking this opportunity to perform a review of our members' needs without the now obsolete “way we have always done it” view. With a new year looming large over us, please take a moment to let your chapter board know what matters to you. We wish to offer the best technologies, speakers, topics, and other events for our membership. Together, we will plan the future of our chapter within this new paradigm.
