PMITLH Board Talk

This week's PMITLH Board message comes from your PMITLH Vice President of Communications, Rebecca Green.

You Are Not Alone

This is the message of the National Alliance on Mental Illness (NAMI) to remind each of us to “focus on the healing value of connecting, prioritizing mental health, and acknowledging that it’s okay to not be okay”. You can make a difference in the lives of those around you – reach out and check on family, friends, and co-workers that you haven’t talked to in a while, send a special nice thought to neighbors you haven’t seen lately, or do something extra nice for the person in line near you at the store. Watch for the clues that someone is “trying to be fine” and let them know you’re there to listen. Talk to your children about listening to their classmates for struggles and give them the opportunity to be a friend.

Especially in these times of volatility, uncertainty, and isolation, there are so many that need extra smiles. Be a light to help someone step away from the darkness. Bring in light to help yourself do the same. We’re all here to be here for each other.

If you or someone you know needs to talk, know that I and the other members of the PMITLH chapter are here – email vpcomm@pmitlh.org if we can help.

Check out NAMI’s blog, personal stories, videos, digital toolkits, social media engagements, and national events. – there are a wealth of resources available from NAMI. You can download graphics, logos, and other items to share on social media. Download the Awareness Event Guide for even more information on how you can be involved. And remember, **You Are Not Alone**.

May is Mental Health Awareness Month – What Makes You Feel NOT Alone?

Thank You to Healthcare Workers!!!!!!

Many of you recently participated in a volunteer effort to show PMITLH's thanks to healthcare workers in our community by creating homemade thank you cards which were distributed to local hospitals during the week of National Nurses' Day (May 6, 2021)!

Thank you to Jordan Martin, Lonna Peterson, Debbie Rivenburg, Shajil Kalathil, Sidhanth Kalathil, Srinitha Srikanth, Sanhvi Kalathil, Nihal Kalathil, Reyansh Kalathil, and Rebecca Green who worked to express gratitude to those in our community doing such outstanding work every day. If you haven't thanked a healthcare worker, do so today!

June 2021 Virtual Chapter Meeting Presentation: What Dog Ownership Can Teach You

Please join us on June 7, 2021 for our next PMI Tallahassee chapter meeting. Our guest speaker, Dr. James Brown, will discuss dog ownership and its correlation to stakeholder management.

We look forward to your participation! [Register Here!](#)

Dog ownership is serious responsibility that is time consuming, challenging, and rewarding. There are many parallels from dog ownership that apply to stakeholder management. In his humorous, hard hitting, tongue-in-cheek style, Dr. Brown explores the following points relative to every project manager.

- Who is the real master?
- Stakeholders need to be trained
- Know your stakeholder's pedigree
- Stakeholders need to know the scent of other stakeholders
- Stakeholders behave differently when they are in a pack

This session will give you a jump start on becoming the "stakeholder whisperer" and enable you to improve project outcomes through effective leadership of your stakeholders.

James T. Brown Ph.D. is president of SEBA® Solutions Inc., a Registered Education Provider for the Project Management Institute. He is the author of *The Handbook of Program Management* published by McGraw-Hill.

James has a patent for a project scheduling methodology & has received numerous awards including the "NASA Public Service Medal." He is a licensed Professional Engineer (PE), a certified Project Management Professional (PMP) & Certified Speaking Professional (CSP).

PMI Exam Fee Reinstatement

Per PMI,

As we continue to manage through the pandemic and stabilization strategies in place around the world, **we are reinstating the exam cancellation and rescheduling fee on May 15, 2021.** Charging a rescheduling fee is industry best practice and improves the candidate's user experience as it helps us ensure those candidates scheduling their exam have an accurate view of open seats.

For more information on the fees and policies, please refer to the [PMP Handbook](#).

If you reschedule or cancel your exam more than 30 days before your exam, you will not be charged a fee.

We are making COVID-19-related exceptions. We will continue to waive fees for candidates who are experiencing COVID-19 symptoms, receive a positive test result, had direct exposure, or are required to quarantine.

We will continue to waive fees for Pearson VUE-initiated reschedules or cancellations related to COVID-19.

Please contact customercare@pmi.org with any questions.
