Hoping you've all had a good Memorial Day weekend and that you're starting out June in a good way. June's PMITLH chapter meeting will be virtual; beginning in August, meetings will return to IN-PERSON. Your PMITLH board will provide more information as soon as possible.

The Tallahassee chapter of PMI is partnering with the Emerald Coast PMI chapter for a joint symposium on Saturday, July 31<sup>st</sup> from 9am – 2pm EST. Registration will be available later this month – please plan to attend this exciting Empowering People to Make Ideas a Reality.

# PMITLH Board Talk

This week's PMITLH Board message comes from your PMITLH Vice President of Programs, Lisa Hopkins.

## *Are You Ready?*

It's been quite some time since we've had a chance to mingle. Although our virtual meetings helped fill the void, there is something to be said about being face-to-face (or mask-to-mask). PMITLH is planning on returning to in-person Chapter Dinner meetings with the August Meeting!

I don't know about you, but I kind of got used to sleeping in, signing on, and rocking out. It's been a bit of a learning curve to remember how to get up, get dressed, and drive in! My wardrobe had been hoodies and jeans for so long, I couldn't find any of my "good" clothes (I still can't find some of my jewelry – I quit wearing it because it interfered with the masks). You have to plan your day - remember your badge, phone, laptop, lunch (can't just go look in the fridge anymore); and where the heck is the umbrella?!

So, we may be a little rusty, but we're going to finish out our virtual meetings on a high note with Dr. James Brown's presentation "Stakeholder Management: What Dog Ownership Can Teach You" on June 7th and return to dinner meetings in person for the August Chapter Meeting.

For those of you who are a little circumspect about the whole thing, we will have things spread out a bit to prevent crowding and we'll recommend masks be worn when away from the table.

We hope that you will be able to join us (hoodies and jeans are just fine) and reconnect with your fellow project managers here in Tallahassee!

Lisa Hopkins

PMITLH VP of Programs

## June 2021 Virtual Chapter Meeting Presentation: What Dog Ownership Can Teach You

Please join us from 6 – 8pm EST on June 7, 2021 for our next PMI Tallahassee chapter meeting. Our guest speaker, Dr. James Brown, will discuss dog ownership and its correlation to stakeholder management.

We look forward to your participation! [Register Here!](#)

Dog ownership is serious responsibility that is time consuming, challenging, and rewarding. There are many parallels from dog ownership that apply to stakeholder management. In his humorous, hard hitting, tongue-in-cheek style, Dr. Brown explores the following points relative to every project manager.

- Who is the real master?
- Stakeholders need to be trained
- Know your stakeholder's pedigree
- Stakeholders need to know the scent of other stakeholders
- Stakeholders behave differently when they are in a pack

This session will give you a jump start on becoming the "stakeholder whisperer" and enable you to improve project outcomes through effective leadership of your stakeholders.

James T. Brown Ph.D. is president of SEBA® Solutions Inc., a Registered Education Provider for the Project Management Institute. He is the author of *The Handbook of Program Management* published by McGraw-Hill.

James has a patent for a project scheduling methodology & has received numerous awards including the "NASA Public Service Medal." James has a Ph.D. in Industrial Engineering, a MS in Engineering, & a BS in Electrical Engineering. He is a licensed Professional Engineer (PE), a certified Project Management Professional (PMP) & Certified Speaking Professional (CSP).

## PMI Exam Fee Reinstatement

Per PMI,

As we continue to manage through the pandemic and stabilization strategies in place around the world, **we are reinstating the exam cancellation and rescheduling fee on May 15, 2021.** Charging a rescheduling fee is industry best practice and improves the candidate's user experience as it helps us ensure those candidates scheduling their exam have an accurate view of open seats.

For more information on the fees and policies, please refer to the [PMP Handbook](#).

If you reschedule or cancel your exam more than 30 days before your exam, you will not be charged a fee.

We are making COVID-19-related exceptions. We will continue to waive fees for candidates who are experiencing COVID-19 symptoms, receive a positive test result, had direct exposure, or are required to quarantine.

We will continue to waive fees for Pearson VUE-initiated reschedules or cancellations related to COVID-19.

Please contact [customercare@pmi.org](mailto:customercare@pmi.org) with any questions.
