

President's Message

Hello everyone! I hope your summer is off to a great start. It is hard to believe we are already half-way through 2022! It has been a super busy year already and fortunately it seems the pandemic is almost behind us. We will meet in person as much as possible, while providing virtual options going forward.

As we look to the remainder of the year, we are planning more networking events, membership drives, professional development opportunities, and a community service project to collect food for Second Harvest. If you desire to earn volunteer PDU's, please let us know if you would like to serve on a committee for these initiatives by emailing vpmemb@pmitlh.org.

As always, don't hesitate to contact me at president@pmitlh.org with any questions or suggestions. Thank you for your support of the PMI TLH Chapter!

~Karen Scott, President PMI TLH

Search for Volunteers

Second Harvest of the Big Bend provides healthy food and other necessities to low-income and the unemployed to relieve situations of emergency and distress. As the region's primary source for charitable food, Second Harvest acts as a storage and distribution depot for over 149 smaller front-line agency partners in 17 Florida counties. In 2021, Second Harvest delivered about 13.8 million pounds of nutritious food, enough for about 11.5 million charitable meals given to people in need!

Our PMI chapter has partnered with Second Harvest of the Big Bend to conduct a food drive starting June 21, 2022, and we need YOUR help!

We are looking for a Project Manager who can serve as a leader for this volunteer effort. We also need leaders who can collaborate with the project manager by serving as satellite location leaders. If this sounds interesting, please reach out to the PMITLH Board at pmiboard@pmitlh.org by **EOD June 22**.

Board Member Spotlight

Meet the PMITLH Board Liaison, Debbie Rivenburg!

Debbie Rivenburg is currently serving in the Board Liaison role for PMITLH. She has been a project manager in the Human Resources section of the Department of Revenue for over ten years, and managed projects in strategic and organizational communication for several years prior. She is a native Floridian, growing up in St. Petersburg and Tallahassee, and made Tallahassee home after several years in the Washington, D.C. area.

Debbie served as PMITLH VP of Administration from 2018-2021. PMITLH Board members connect with other chapter leaders throughout the region through conferences and monthly “birds of a feather” conference calls organized by PMI global. During one of these calls, Debbie learned of how another chapter created a board liaison role and she proposed that for our chapter.

The Board Liaison role is new to the PMITLH board; it is an appointed board position, but non-voting. In her role as Board Liaison, Debbie assists the board with a variety of tasks, having the flexibility to support areas as needed. Some current activities include coordinating the chapter bylaws review, board strategic planning and identifying PMI resources that can assist chapter leaders.

Our next issue will spotlight our Webmaster, David Davis!
