

President's Message

Hello everyone and happy holidays!

It's hard to believe 2022 is ending as is my two-year stint as President. The last few years have been challenging for any association to keep members engaged through the pandemic but fortunately as that is behind us, we are seeing our events and membership gain momentum. **Sixty-nine** (69) new members joined the chapter in 2022 (yay!), bringing our membership to 352...and growing! It has been so exciting to talk with new members, new certification holders and those new to the industry who are seeking guidance and mentoring. PMI TLH is the place to be!

I am most honored to have served with such a terrific Board and I know 2023 will be a spectacular year. As I turn over the reins to Shajil Kumar, I will remain on the Board as Past-President and plan to continue being part of the chapter, perhaps as a mentor to some new members.

Finally, thank you for giving me the opportunity to serve the chapter and its members. PMI Tallahassee is very special to me. If you ever need to reach me, my personal email is karenscootpmi@gmail.com.

All the Best!

~Karen Scott, PMI TLH President (2020-2022)
