

Pitch Your PICK.

One book. Three minutes. Win the vote.

Our Book Club kicks off with a showdown. Bring the one book every project professional should read - the one that changed how you lead, plan, or think - and pitch it to the chapter. The winning title becomes our official Book Club selection.

01 BRING

- Choose one title - leadership, agile, strategy, career, or the wildcard nobody sees coming.

02 PITCH

- Three minutes to sell the room. Elevator-pitch rules apply - make us want to turn the page.

03 VOTE

- The chapter votes live. The winning book becomes our next Book Club read.
